October 1 saw several new laws hit the books across the state.

Some illegal immigrants may become own bosses (Daily Record)

PHOENIX -- Arizona's new immigration-related laws could be sending an unintended message to illegal immigrants: Open your own business.

New laws take effect Oct. 1 affecting life, solar panels (WAVY 10)

RALEIGH, N.C. (AP) - Beginning today, doctors or other health providers are required to sign a form on which patients say whether they want medical treatment withdrawn when they're near death.
